### Alcohol Hand Sanitiser Gel

Compatible with Eco Sanitiser Dispenser

This fast-acting, alcohol gel sanitiser is designed to help reduce bacteria on the skin without the drying. Ideal for frequent use throughout the day to support effective hand hygiene.

#### Key Features:

- **Alcohol Formula:** Non-drying and gentle on skin
- **Kills 99.99% of Tested Bacteria\*:** Provides effective antimicrobial action
- **Smooth Gel Texture:** Easy to apply and quick to absorb
- **Safe for Frequent Use:** Suitable for schools, healthcare, and sensitive skin
- **Eco-Conscious Packaging:** Designed to minimise waste and environmental impact
- **Hygienic Refills Available:** Sealed systems help reduce the risk of contamination

Code	Capacity	Quantity
MP367	1 Litre Per Refill	Pack of 6 Cartridges

### Alcohol Hand Sanitiser Liquid

Compatible with Eco Sanitiser Dispenser

Safe, effective, and pleasant to use – ideal for public spaces, schools, hospitality and healthcare settings, including surgical use.

#### Highlights:

- Kills 99.99% of bacteria, fungi, and viruses
- Proven effective against MRSA, SARS-CoV-2, influenza, and more
- Works in just 30 seconds
- Suitable for frequent use – dermatologically tested
- VAH-listed and approved across multiple European countries
- **Hygienic Refills Available:** Sealed systems help reduce the risk of contamination

Code	Capacity	Quantity
MP368	1 Litre Per Refill	Pack of 6 Cartridges

## Washroom Solutions

### Toilet Seat Cleaner

Compatible with Eco Press Hand Wash Dispenser

The foaming cleaning mousse for reliable hygiene at sensitive contact points in WC cabins and washrooms – on toilet seats, flush buttons, or door handles. Simply apply the mousse to dry toilet paper, wipe the surfaces, and experience hygienic comfort. Using this product also helps reduce the risk of pipe blockages caused by the improper disposal of paper towels.

#### Highlights

- Fine-pored mousse for comfortable use
- Orange colour – easily distinguishable from the blue liquid soaps
- Service-friendly, hygienic stand-up pouch: closed system with an integrated pump, optimal residual emptying, and minimal waste weight
- 500 ml cartridge – allows the use of smaller dispensers in the limited space of WC cabins

Code	Capacity	Quantity
MP374	500ml Per Refill	Pack of 6 Cartridges

## Twin Roll Toilet Paper Dispenser

The clever dispenser system for small rolls

**The smart, flexible solution even for the smallest toilet cubicles.**

**The dispenser accommodates up to two small or medium rolls of hygiene paper, with the spare roll separately integrated to ensure long-term hygiene. Suitable for medium to high traffic.**

- Quick level check with surrounding transparency window
- Effortless opening with Soft Opening, easy refilling with integrated door stopper
- New, patented locking system optional as standard or permanent lock
- Mounting plate with integrated spirit level for quick replacement
- Durable and sustainable thanks to recyclable mono-material
- Available in black (recycled ABS) and white

Code	Capacity	Quantity	Colour
MP426	2 Rolls	01	White
MP427	2 Rolls	01	Black

## Jumbo Toilet Paper Dispenser L

The economical solution for high usage frequencies

**The dispenser solution for high-traffic areas and economical use down to the last sheet.**

**This dispenser is particularly service-friendly due to its simple, quick roll replacement, and it prevents excessive use with an integrated roll stop. Suitable for large rolls up to 26 cm in diameter.**

- Quick level check with surrounding transparency window
- Integrated roll stop to prevent excessive or unwanted consumption
- Up to 10% more economical use with the new replacement roll function - longer refill intervals and usage down to the last sheet
- Soft Opening: front opening upwards or downwards - ideal for corner installations and quick refilling
- New, patented locking system optional as standard or permanent lock
- Mounting plate with integrated spirit level for quick replacement
- Robust and low-maintenance ABS construction
- Durable and sustainable thanks to recyclable mono-material
- Available in black (recycled ABS) and white

Code	Capacity	Quantity	Colour
